December 31, 1983

**Annual Report**  
for the Town of

**Bristol**  
New Hampshire

For the Fiscal Year Ending  
December 31, 1983

*In Memory Of  
Lucy Marsters Baker*  
*June 1, 1907 — March 14, 1983*

Among the losses Bristol suffered in 1983 were the life and contributions of Lucy Baker. She had come to Bristol in 1933 with her husband, the beloved Conservation Officer Everett "Slim" Baker. He died in June 1953, and 1983 would have been Lucy's golden anniversary in Bristol: twenty years a wife, thirty years a widow, and fifty years of service to the Newfound Area.

Among her contributions:

- She taught in the Bristol Elementary School system from 1947-1956.
- She was a life member of the Bristol Chamber of Commerce. She operated its Information Booth for twenty-two years.
- She was a member of the American Bicentennial Committee.
- She held the office of Secretary of the Bristol Conservation Commission.
- She was a member of the Pasquaney Garden Club.
- She was a life member and director of the Slim Baker Fund for Outdoor Living.
- She was an active member of the Bristol Historical Society.
- She was a director of the Newfound Area Nursing Association, The Bristol Community Services, and the Lakes Region Mental Health Board.

Her efforts were strongly devoted to making Bristol and the Newfound Area a better place to live. As her lifelong friend Doris Stephens wrote at the time of her funeral, "this community is a better place because Lucy was a vital part of it. As we remember her in the years to come, her memory will urge us on to greater living."

May her life inspire us all to work for a better town. She was more than a concerned citizen: she was "Mrs. Bristol".

*Dedication written by Sam Worthen. Photo taken by Richard "Wink" Tapply as Lucy portraying Mrs. Claus, the role she had played for many years at Santa's Workshop.*

**TOWN WARRANT****THE STATE OF NEW HAMPSHIRE****THE POLLS WILL BE OPEN FROM 10:00 A.M. to 6:00 P.M.**

**To the Inhabitants of the Town of Bristol in the County of Grafton in said State, qualified to vote in Town Affairs:**

You are hereby notified to meet at the Town Hall in said Bristol on Tuesday, the 13th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

**POLLS WILL CLOSE AT 6:00 P.M.**

Action on the following articles at 7:30 p.m., Thursday, March 15.

2. To see if the Town will vote to appropriate the sum of seventy thousand dollars (\$70,000.00) in order that the Bristol Water Works can extend water mains and install fire hydrants and services from Gareth Lane in Camelot Acres to residences on Wulamet Road (not to include Arrowhead Point). Said construction shall be under the direction of the Water Commissioners. Funds to be raised by borrowing on the credit of the Town through the issuance of serial notes or bonds, under the Municipal Finance Act (RSA 33:5-a), said notes or bonds to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town Seal, and to delegate to the Selectmen the discretion of fixing the date, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and provide the sale thereof. All general obligation bonds and notes incurred shall be paid from general operating revenues of the town. Further, any premium or accrued interest as well as interest earned on investment of the bond or note proceeds may also be expended towards this project.

(Submitted by Petition and approved by the Bristol Water Works Commission) (Not Recommended by Budget Committee)

3. To see if the Town will vote to join the Hebron-Bridgewater Solid Waste District and raise and appropriate the sum of sixty-five thousand dollars (\$65,000.00) to purchase a share of the plant, land and rights of use. Funds to be raised partially by revenue sharing, thirty-five thousand and one hundred dollars (\$35,100.00) and the remainder to be serial notes or bonds, said notes or bonds, to be signed by the Selectmen, countersigned by the Treasurer and sealed with the Town Seal; and to delegate to the Selectmen the discretion of fixing the dates, maturities, denomination, interest or discount rate, the place of payment, the form and other details of said bonds or notes and provide for the sale thereof. A two-third vote required.

(Recommended by the Budget Committee)

4. To see if the Town will appropriate the sum of thirty-five thousand one hundred dollars (\$35,100.00) to set up a mini-substation for the collection of solid waste, said funds to be raised by transfer from revenue sharing.

5. To see if the Town will appropriate the sum of twenty-five thousand dollars (\$25,000.00) to be set aside in a capital reserve fund for the eventual revaluation of the town as provided in RSA 35:3. (Not Recommended by Budget Committee)

6. To see if the Town will appropriate the sum of five thousand dollars (\$5,000.00) for use by the Kelley Park Commission to close up the back of the grandstand for storage, rescreen the front and make such repairs as are required for public safety. Requested by the Park Commission.

(Recommended by Budget Committee)

7. To see if the Town will vote to raise and appropriate the sum of eight hundred dollars (\$800.00) for support of the Community Action Outreach Program. (Submitted by Petition) (Recommended by Budget Committee)

8. To see if the Town will vote to accept the budget as submitted by the Budget Committee and raise and appropriate the sum set forth therein to be raised by taxation.

9. To see if the Town will vote to authorize the withdrawal from the revenue sharing fund established under the provisions of the state and local assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any action hereon:

APPROPRIATION	AMOUNT
1 Ton Pickup with Plow	\$15,000.00
Solid Waste Facility	35,100.00
Patriotic Purposes	600.00
Christmas Lights	500.00
Conservation Commission	450.00
Sidewalks	4,000.00
	<u>\$55,650.00</u>

10. To see if the Town will vote to close out the Willow Street Bridge Capital Reserve Fund, by transferring to the general fund, the balance of four hundred thirty-nine dollars and seventy cents (\$439.70).

11. To see if the Town will institute a line item method in preparing the Town Budget. If passed this will take effect with the 1985 Town Budget. (Submitted by Petition)

12. To see if the Town will rescind the current water/sewer rates and revert to the formula and rates charged during the last quarter of 1983. (Submitted by Petition)

13. To see if the Town will require that any increase or decrease in the water or sewer rates, or any other charges and fees be approved by a majority of those voting at the annual Town Meeting before becoming effective. If approved this will go into effect immediately. (Submitted by Petition)

14. To see if the Town will require that any Water/Sewer Department surplus revenues existing at the end of the fiscal year be used to lower the then existing water/sewer rates. (Submitted by Petition)

15. To see if the Town will require the Water and Sewer Commissions to hold a public hearing before setting any new water or sewer rates, charges, or fees. This hearing will be held at least 25 days before the annual Town Meeting. (Submitted by Petition)

16. To see if the Town will vote to amend the Vendor Ordinance passed March 9, 1971 Article No. 6 to add the following:

A fee, not exceeding fifty dollars (\$50.00) may be imposed for each offense.

17. To see if the Town will vote to amend the Driveway Ordinance passed March 4, 1976 Article No. 16 to read as follows:

All (new) driveways entering a town road such that natural flowage water is obstructed shall require a culvert having a minimum diameter of 12 inches, minimum length of 20 feet, placed in the roadway drainage ditch. The cost of said culvert and installation, maintenance, and replacement shall be born by the property owner, with cleaning to be done by town. No driveway drainage shall enter upon the traveled way. Installation of culvert and adequate drainage shall be approved by the Highway Supervisor and/or his agent. Culverts shall be purchased from suppliers other than the Town.

18. To see if the Town will vote to adopt the following by-law relating to unnecessary noise:

“A By-Law to Prohibit Unnecessary Noise”

Be it enacted by the Town of Bristol in Town Meeting assembled:

SECTION 1. It is found and declared that:

(a) The making and creation of loud, unnecessary or unusual noises within the limits of the Town of Bristol is a condition which has existed for some time and the extent and volume of such noises is increasing;

(b) The making, creation or maintenance of such loud, unnecessary, unnatural or unusual noises which are prolonged, unusual and unnatural in their time, place and use affect and are a detriment to public health, comfort, convenience, safety, welfare and prosperity of the residents of the Town of Bristol; and

(c) The necessity in the public interest for the provisions and prohibitions hereinafter contained and enacted is a matter of legislative determination and public policy, and it is further declared that the provisions and prohibitions hereinafter contained and enacted are in pursuance of and for the purpose of securing and promoting the public health, comfort, convenience, safety, welfare and prosperity and the peace and quiet of the Town of Bristol and its inhabitants.

SECTION 2. It shall be unlawful for any person to make, continue, or cause to be made any loud, unnecessary noise or any

noise which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of others, within the limits of the Town provided, however, that nothing in this ordinance shall prevent the use of loud speakers or other sound equipment duly licensed by the Selectmen; provided further, that the Selectmen are authorized to license any functions or activities involving public noises they deem reasonable and their determination shall be final.

**SECTION 3.** Any person who violates any of the provisions of this by-law shall be guilty of a violation and subject to a penalty not to exceed one hundred dollars (\$100.00). Such person shall be deemed to be guilty of a separate offense for each and every day during any portion of which any violation of this ordinance is committed, continued, or permitted by such person, and shall be punishable therefore as provided therein.

**SECTION 4.** This by-law shall take effect thirty (30) days after its adoption by the Town Meeting.

19. To see if the Town will authorize the selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or provide source to be used for purposes for which the town may legally appropriate money: provided (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

20. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

21. To see if the Town will vote to authorize the Selectmen to sell tax acquired property as provided in RSA 80:42.

22. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and eighty-four.

GEORGE P. COLLINS  
H. ARNOLD KIMBALL  
WILLIAM R. PHINNEY  
Selectmen of Bristol

A true copy of Warrant — Attest:

## SELECTMEN'S REPORT

We have completed our first year under the twice yearly tax collection and it appears that the majority approve this system. By July 1 82% had paid their first half taxes which is average for the last 8 years. 92% had paid their first half by the end of the year and 85% had paid their total for the year which works out to 3% better than the previous 8 years. Total collections for the first half were \$599,012.34. The second half came to \$605,664.47.

This hopefully will result in not having to borrow in anticipation of taxes next year. Our money, when not in use, is drawing money market interest thereby making up for some of the anticipated losses from the state.

You will see an overexpenditure in legal expenses due to out of court settlement and Attorney's fees. There is also an overexpenditure in Tax Map Account for the procurement of all our tax map data. We will now have complete control of this very important tax map data.

The first step of our new Police Commission was to set up a long needed hiring procedure. We are now fully staffed with, from all appearances, a very competent force. They report very few complaints from the public.

The Water and Sewer Departments are taking long strides in following the instructions of the voters in becoming self sufficient. Equipment replacement is a big problem and with this new account system they are setting up the required steps to provide it.

After numerous visits from the residents of Bear Mt. Road it became apparent to the Selectmen that if water mains could be run at a reasonable cost to the water department then this would solve their problem of dry wells, keep the cost at a minimum and give our town employees an opportunity to get first hand experience at laying water lines.

This particular line was at the bottom of the list of the water department which meant that they might never get town water. At the request of the Selectmen, the water Department proceeded to install the line at an estimated cost of \$1500, utilizing pipe paid for on the lake project. Unfortunately they ran into large boulders and a short section of ledge pushing the cost up to around \$4400, still much less than the warrant article of the last two years of \$20,000. This did not increase the tax rate but has increased the value of all the property on that road. 700 feet of pipe was laid and two hydrants installed giving better fire protection to the area.

The Selectmen, with approval of the majority of the Budget Committee, feel this was a wise decision. The Town is growing and with it basic services will have to expand.

With the Highway Supervisor unable to perform his duties the Selectmen appointed an acting supervisor to keep our highways in the condition to which we are accustomed. A backhoe was acquired on a lease purchase

in lieu of hiring one by the hour. On the basis of past records it should pay for itself. A new pickup and plow are badly needed and are in this year's budget.

I'm sure most of you have heard about the pollution problem at the lake and your Selectmen had first hand experience in trying to locate one source to try to stop it. With the perseverance of our Health Officer and Water and Sewer Superintendent it was located and corrected within a week's time. There are other areas which will be investigated in the spring with the aid of the state area representative. With the continued support of the affected land owners we hope to take big steps in protecting our beautiful lake.

As they did on the bridge, the Budget Committee has again come forward to assist the Selectmen in the solid waste problem making studies of all possible solutions to provide the town with the best, although not the cheapest, way to dispose of all our rubbish. We can provide the choices but only your appearance at Town Meeting can provide the solution.

From our vantage point we can see many problems down the road if more taxpayers/voters do not start taking an interest in Town Meeting and Town affairs. Condominiums are springing up all along the shore of the lake, town water is reaching further, sewerage lines to the lake are needed to return this to proper treatment facilities. The tax calculating and billing system along with our new checklist shows we are partially modernized. In the next 20 years what happens to Bristol can only fall on your shoulders and not the Selectmen or the Budget Committee. "WHAT SAY YOU VOTERS OF BRISTOL. Turn out for Town Meeting!

Selectmen Town of Bristol

**TOWN OF BRISTOL**  
**Letter of Transmittal**

To the Members of  
the Board of Selectmen  
Town of Bristol  
Bristol, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Bristol, New Hampshire as of and for the year ended December 31, 1982, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The financial statements of the Bristol Municipal Court for the fiscal year ended December 31, 1982, have not been included in the accompanying financial report. However, we have examined the financial statements of the Court and have issued a separate report thereon (See Note 7).

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Bristol, New Hampshire at December 31, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Bristol, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group finan-

cial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

Killion, Plodzik & Sanderson

<b>Total</b>	<b>\$105,742.73</b>

**BRISTOL SEWER COMMISSION**

This department has engaged the services of an accountant who knows town financial problems, and is associated with an auditing firm which specializes in municipal audits. Our financial affairs should be easier to comprehend and control.

The Sewer Department is now a self-supporting entity. A re-adjustment of rates was necessary to accomplish this. The rates have not been adjusted frequently enough to compensate for the cost of living changes; they will be from this point on to prevent major adjustments.

This department and the Bristol Water Works will, in the near future, be sharing a basic computer system for greater efficiency of operations, both within the office and in the field.

The plant equipment is completing its fourteenth year of fairly successful operation. The oxydation ditch rotors have finally reached the point of no-return and one set is scheduled to be replaced this year. Other major equipment will follow.

Bristol Sewer Commissioners

John Bianchi

Paul Rockwell

Everett Hackett

**MINOT-SLEEPER LIBRARY  
Report of the Board of Trustees  
For the Year 1983**

The 1983 circulation figures for the various categories of books are outlined below:

Adult Fiction	4637
Adult Non-Fiction	1236
Children's Fiction	1301
Children's Non-Fiction	586
Bookmobile-State Library	475
Paperbacks	1527
Magazines	2043
Records	19

Unfortunately, due to cuts in the State Library budget, the regional office servicing Bristol was closed, and this action terminated the Bookmobile to our Library. However, we were allowed to retain most of the books we had on hand at the time and add them to our collection.

This past year saw the erection and completion of a small storage shed at the rear of the Library. This was partly in response to the insurance company's requirement/recommendation that no combustible materials be stored in the furnace room area. This will provide storage for maintenance items such as salt, snow shovels, etc., along with temporary storage of Book Sale material.

The summer program for children's reading and story hour was again very well attended. We were pleased that many summer residents joined with the local people in helping to make this program so successful.

In conclusion, the Trustees would like to express their appreciation for the dedicated services of all members of the staff, it is through their cooperation that the Library functions so smoothly.

William G. Carruth, Chairman  
Trustees, Minot-Sleeper Library

**BRISTOL MUNICIPAL COURT  
1983 Report**

A total of 841 cases were entered in the Bristol Municipal Court in 1983. Of this number, 771 were criminal complaints and 70 were small claim complaints.

A breakdown shows that there were 592 motor vehicle violations, 83 misdemeanors, 14 DWI (1st. offense), 3 DWI (2nd. offense), 5 felonies and 74 other violations, including fish and game, boating and Town Ordinance violations.

As of Jan. 1. 1984, all the courts in the State are under a unified Court system with all court revenues going to the State. New uniform fines are in force which could conceivably reduce some of the paper work for the courts and hopefully it will cut down on motor vehicle violations state-wide.

**Financial Report**

**CONSERVATION COMMISSION REPORT**

We continue to receive expressions of Gratitude from many people for the Breck-Plankey Spring. This past summer saw many dry wells while the spring continued to flow year round. The Pasquaney Garden Club has planted and will maintain flowers and shrubs in memory of past members to add to the attractiveness of the area. We thank all those who use the spring for keeping it so clean and litter free.

The Pemigewasset Valley Conservation Commission which was organized to aid in the clean-up and reclassification of the Pemigewasset River has now disbanded. They contributed their remaining assets to the New Hampton and Bristol Conservation Commissions and in March 1983 we received a check for \$807.02.

This year the State of New Hampshire Wetlands Board was reduced from 17 to 11 members and saw their budget cut. We regret this step as the group serves an important function in our fight to preserve New Hampshire Wetlands and bodies of water.

We would remind you that a permit must be obtained before you begin any filling or dredging, construction or alteration to land in a wetland area and areas adjacent to lakes, rivers or brooks. The Conservation Commission tries to monitor such activity carefully and will report any violations to the State Wetlands Board.

We will miss Lucy Baker and her love for and commitment to the Conservation Commission and the Town of Bristol.

Mason Westfall, Chairman  
Sam Worthen  
Maynard W. Dow  
John Feist  
Barbara De Angelis

**BRISTOL WATER COMMISSION**

The Bristol Water Works began in June 1947 with the purchase of the Bristol Aqueduct Company. An initial major rebuilding of the existing mains has been followed through the years by:

- a. erection of the 250,000 gallon storage tank at the top of Hillside Avenue;
- b. purchase and development of the Danforth Brook well site; and
- c. purchase and development of the Fowler River well site along with the extension of water mains from Hillside Avenue to Fowler River.

In the early 1950's the average consumption of water was 120,000 gallons as compared to about 900,000 gallons per day now. The cost of power in the 1950's was under \$200.00 per month while today it runs nearly \$2000.00. Since the Fowler River Well has been put on line the Town has nearly doubled the number of fire hydrants and we have just about doubled the number of service connections.

Working together with the Town's Auditors we are making adjustments in our accounting procedures and practices in order that a much clearer and more understandable picture of the financial position of the Water Works can be presented.

Current and long range projects that the Commissioners are studying and endeavoring to find practical methods for funding are listed below in the order or priority as we see them:

1. A 1,500,000 million gallon water storage tank and appurtenances—Est. \$300,000;
2. Lakeside Road main Line Extension—Est. \$90,000;
3. Wulamet Road Main Line Extension—Est. \$70,000;
4. A Second Fowler River Pumping Facility—\$100,000;
5. Water Main Leakage Survey—Est. \$35,000;
6. Replacement of Pleasant Street 6-inch water main;
7. Replacement of North Main Street 6-inch water main;
8. Installation of a 10-inch direct Water Main to Westwood and I.P.C.;
9. Red Fox Village Main Line Extension;
10. Garage/Repair and Storage/Office Building for the Bristol Water Works.

Bristol Water Commissioners  
John Bianchi  
Kenneth Brown  
Gordon Dole

**FIRE DEPARTMENT REPORT**

The Bristol Fire Department wishes to take this opportunity to summarize the fires and their activities for the past year.

The department responded to 74 calls this past year. There were 3 structural fires, 24 chimney fires, 19 Mutual Aid or out-of-town fires, 6 car or truck fires, 6 gas washdowns, 3 false alarms, 1 wire or power line down, 3 Dial-a-phone alarms, 2 smoke calls, 3 grass or small brush fires, 1 dumpster fire, 1 transformer fire and 2 miscellaneous.

This past year the Fire Company took over the putting up and taking down of the Xmas lights in Bristol Square. With the help of merchants, some new lights were bought and we are hoping that more will be forth coming next year. The addition of our Ladder Truck and the use of the CableVision truck made this job a lot easier.

The Company also donated \$500.00 to help defray the expense of digging and burying new electrical lines at Kelly Park. Equipment for the Ladder truck was also bought by the Company. The Fire Commissioners had salvage equipment gotten and put on the truck for use after fires.

The Fire Commissioners have had all the Scott Air Pac redone so that now they conform with a new State Law. Another new law about all apartments or rooming houses having to have smoke or fire detectors will now be part of their inspections along with inspections of the schools, Town and Public buildings.

The Forestry now has a 1952 Dodge 4 X 4. During the winter months members of the Company will equip and get the truck ready for use in the spring. The older truck will then be used as a utility truck to transport the Cascade System and other equipment that might be needed at fires.

The training of the personnel continued this past year and the Commissioners have continued with their inspections. Some men attended the Lily Pond Fire School and found the courses very interesting. The information they received was passed on to the company and everyone benefits from it.

Fires for this past year were down from a year ago and it is everyone's hope that this trend will continue during the coming year. With the help of everyone this can be possible.

Raymond A. Greenwood  
Clerk

Fire Commissioners of Bristol:

Kenneth P. Brown  
Ronald E. Preble  
Ernest H. Glines

### **BRISTOL PLANNING BOARD**

The Planning Board, working in conjunction with the Lakes Region Planning Commission, completed the preparation and publication of the Town's Comprehensive Master Plan. Our proposal that Central Square and fourteen structures in that area be designated as historical places was accepted by the U. S. Registry of Historical Places.

In 1984, the Master Plan plus recognition of the historical site will combine with action on the Downtown Improvement Plan. Strong community support should result in the beginning of an improved town center district with facilities to attract new businesses, civic activities and tourists at all seasons of the year.

Applications for subdivision approval again increased in 1983. Many applications involved major and complex subdivisions. It is planned to complete a revision of the Bristol Subdivision Regulations in 1984 and develop recommendations concerning large docks as now requested by the Governor's Council of the State of New Hampshire.

Kenneth O'Neil Chairman  
Ralph Newell  
Ann Worthen  
Jacqueline Wheeler  
Dean DesRoche

## **POLICE DEPARTMENT REPORT**

The members of the Bristol Police Department would like to thank the residents of Bristol for their cooperation and support this past year, and we look forward to serving you in 1984.

Below is a list of statistics of several areas handled by the Police Department in 1983.

### **Police Department 1983 Statistics**

Total Miles Driven	73,451
Total Gas Consumption (Gallons)	6,840.7

## POLICE COMMISSION REPORT

The Bristol Police Commission had its first meeting on March 14, 1983. William E. Barrett was elected by the other two police commissions as the Commissions first Chairman. The Police Commissioners and Chief Wingate attended a Wolfeboro Police Commission meeting on April 7, 1983 in order to become more familiar with other police commission procedures. Monthly meetings were set up for the second and fourth Monday at seven PM with the meetings to be held in the Selectmen's Office. The first full meeting open to the public was on June 13, 1983. While the meetings are open to the public, in order for a visitor to address the commission he or she must be on the agenda. Persons wishing to speak to the Commission should contact the Chief of Police to be put on the agenda, this must be done prior to 5:00 PM the Thursday before the next regularly scheduled Monday meeting. If an emergency situation arises persons can be put on the agenda up to the time of the Commission's meeting.

In May the Police set up a comprehensive hiring procedure for new full time officers and approved a one week fingerprinting program for children in the Bristol Schools as well as preschool age children. The officers of the Bristol Police Department volunteered their time to reconstruct the firing range which is located inside the fence enclosed sewer plant. The members of the Bristol Police Department contributed 432 hours of time in the nine month period between April and December to the town of Bristol for such things as CPR Training, firearms training, investigations, court preparation, report writing, meetings and patrol work. The current five fulltime members of the police department have completed a variety of training and educational programs as well as many years of experience.

Chief Barry Wingate has twelve years of police experience with the Bristol Police Department. He has a Bachelor of Science degree in Criminal Justice from St. Anselm College and is a graduate of the New Hampshire Police Academy.

Sergeant C. Scott Haines has eight years of police experience with the Bristol Police Department. He has an Associate of Science degree in Applied Business Management from Plymouth State College and he is a graduate of the New Hampshire Police Academy.

Senior Patrolman Robert Gray has two years of police experience with the Bristol Police Department and three years Military Police experience. He is currently working towards a degree in Criminal Justice from Nathaniel Hawthorne College through their extension program in Franklin and he is a graduate of the New Hampshire Police Academy.

Patrolman Christopher Cost has one year of experience with the Bristol Police Department. He has a Bachelor of Science degree in Criminal Justice from Northeastern University and he is a graduate of the New Hampshire Police Academy.

Our newest patrolman Joseph Maccarone joined the Bristol Police Department in September of 1983 and is undergoing 10 weeks of Police training at the New Hampshire Police Academy between January and March of 1984. He is an Army veteran who has six years Military Police experience and he has completed three years of college work. Maccarone is enrolled in the Nathaniel Hawthorne College Extension at Franklin where he will be working towards a degree in Criminal Justice.

The Bristol Police Department also has twelve part-time officers comprised of eight Special Officers, two Traffic Control Officers and two Police Matrons. These part-time officers have several years of police experience and training behind them and are a tremendous asset to the police department. The Commission feels that it should be noted that it now requires 78 hours of classroom training, successfully completed, in order to become a State Certified part-time police officer.

The Police Commission this first year has been a learning experience for us and one of a lot of hard work setting up a system to operate within. We would like to take this opportunity to thank you, the public, for the support that you have given us this past year. Your comments to us or your attendance at our meetings in the future will be appreciated by the Commission.

William E. Barrett  
Commission Chairman

Robert H. Bennett  
Commissioner

Robert Day  
Commissioner

**MARRIAGES REGISTERED FOR THE YEAR ENDING DECEMBER 31, 1983**

<b>Date and Place of Marriage</b>	<b>Name and Surname of Groom and Bride</b>	<b>Residence</b>	<b>Name, Residence, Official Station of Person by Whom Married</b>
01-29-83 New Hampton	Arthur A. Greer Jr. Joy A. Lehneman	Bristol Bristol	Arthur E. Seavey Justice of the Peace—New Hampton
